# Land Management Committee

OCTOBER 2017

*Welcome to the October issue of the Land Management Committee Newsletter. As part of our mission we are looking for ways to communicate more effectively with our community members. We hope you'll take a minute to read our updates and let us know what you think.*

## ABOUT US

Our Committee was established in April 2017 to represent members interests in First Nations Land Management initiatives. We have seven members: Jeanette Spalding, Charlene Webb, Troy Sam, Lisa Wesley, Wayne Bolton, Allan Bolton and Yvonne Wesley.

## COMMITTEE PROGRESS AND PROJECT UPDATE

### LAND USE PLAN

We have moved into the third phase of our Community Land Use Plan project: **Community Objectives and Priorities**, and are looking to work with you, our community members, to identify and clarify land use objectives and priorities for our community. We'll be hosting a community **Open House on Tuesday, Nov 7<sup>th</sup>**, so now is the time to start thinking about what you want to see happen on Kitsumkalum reserve lands over the next several years.

To learn more about what this project is all about and to stay up to date about what's coming up next, visit us at <http://www.kitsumkalum.com/kitsumkalum-laxyuup/community-lup/>

### LAND CODE

We have moved into the second phase of our Land Code project: Land Code Drafting and Community Engagement. Over the course of the next few months our committee will be drafting a Kitsumkalum Land Code to set the rules and structure for land management in our community. We look forward to bringing it to you, our community members for your review and input.

To learn more about what this project is all about and to stay up to date about what's coming up next, visit us at <http://www.kitsumkalum.com/kitsumkalumlaxyuup/land-code/>

## Land Management Committee Member Profile: Allan Bolton

Allan joined the Land Management Committee to support with mapping and planning components.

He assisted with the Treaty Office's Land Use Planning process and looks forward to planning for the reserve areas. Allan is an advocate for land and resource management that allows him to get out and enjoy his favourite past times - fishing, boating and getting out on the ATV
