

AUGUST 8, 2018

Telegraph Creek Evacuees

Information Bulletin

Evacuees please register with ESS:

Steps to get food and shelter covered via the ESS program.

- 1) You must be an official evacuee. This means you are told to leave via an 'evacuation order.' You do not qualify if you're only on 'evacuation alert.'
- 2) If you're an evacuee, you simply register at the reception centres, as follows:
TERRACE:
Regional District Office - 4545 Lazelle Avenue -
250.641.2443

SMITHERS:
Smithers Christian Reformed Church - 4035 Walnut
Drive - 250.847.2333
- 3) Once registered, you will be given shelter - this may be hotel, billet with family (family will be paid for extra cost), or camping etc. You will be given food support via Safeway or other contract partners.
- 4) This program will help throughout the recovery of the event, which means they will do this for a few years, whatever 'recovery' takes in terms of time.

In summary, yes, evacuees are provided food & shelter until the incident is mitigated.
