JOB POSTING

Mental Health Clinician

OPEN PERIOD: Until incumbent found

JOB SUMMARY:

Full Time Position Monday - Friday. Must Travel is a requirement of this position; and flexibility in relation to work schedules and locations may be required.

Remuneration: Pay is depending on experience, current education, and qualifications.

Extended Health Benefits included.

Key Responsibilities and Activities

The Mental Health & Addiction Clinician is either a Social Worker who is registered with and practices in accordance with the standards of professional practice and code of ethics as outlined by the BC College of Social Workers (BCCSW); or a Clinical Counsellor who is registered with and practices in accordance with the standards of professional practice and code of ethics as outlined by the BC Association of Clinical Counsellors (BCACC).

The Mental Health Clinician is a member of the Mobile Support Team delivering outreach to the First Nations communities of Kitsumkalum/Kitselas and Haisla. Provides direct Mental Health & Addiction services and care coordination to individuals, families and groups using a bio/psycho/social/spiritual approach.

The candidate will provide counselling support, psychosocial care, and group work, system navigation and advocacy, education and linkage to relevant specialized complex care resources while facilitating client selfmanagement counselling services, prevention, promotion, education assessments, care planning for individuals and families. Consultation on cultural and clinical interventions and crisis response when communities are impacted by critical events.

Working collaboratively with Northern Health Authority, First Nation Health Authority and the multidisciplinary health team at our respected Health Centres.
