RE: School Closure Thursday, January 23 and Friday, January 24, 2020

Hello Parents/Guardians of 'Na Aksa Gyilak'yoo Students

After consultation with our Band Manager, I as Principal, have made the decision to close the school for the next two (2) school days due to EXTREME snow accumulation on our buildings and between our classrooms. To help facilitate the snow removal students, staff, parents/guardians and community members are being instructed to stay clear of ALL school buildings. Men and equipment will be working to clean off our classrooms and remove the snow as the rainy weather starts to move into the region.

Our first priority has always been the safety of our students, families and staff here at 'Na Aksa Gyilak'yoo School. We will continue to put our kids first and I apologize for the inconvenience this may cause due to child care needs, we look forward to having our students back in session on Monday, January 27, 2020 for the beginning of the second half of the school year.

Sincerely,

Shannon McFee

Principal
