## **Kitsumkalum Tempo Gas Bar Operations During Pandemic**

During this time of COVID-19 pandemic, Kitsumkalum Tempo Gas Bar will be closing our doors to the public to follow the provincial health orders and recommendations.

The store will still be in operation 24/7, but with cautionary measures in place. Customers can use the window by the till to place orders and process payments for items in the store and in the kitchen. We hope this will allow us to keep serving you, our valued customers, and keep everyone healthy during these times of the Coronavirus

Best wishes,
