

**NATURAL RESOURCES
TRAINING GROUP**

Environmental Monitoring Technician (EMT)

Interested in an exciting career in the environment and restoration field?

The Natural Resources Training Group (NRTG) and BC Oil & Gas Commission (BCOGC) are pleased to announce a leading-edge Environmental Monitoring Technician (EMT) training program available for northern BC individuals. This dynamic, six-week program is fully online, includes live instruction and student-led field training from the safety of your own community.

Students will learn how to conduct: environmental monitoring, wildlife, bird and amphibian surveys, fish and fish habitat inventories, assessment and restoration, backpack electrofishing (certification), vegetation and soil surveys, erosion and sediment control and spill response measures, and technical writing and reporting. These skills and abilities are in-demand by employers involved in oil & gas, mining, hydro-electric, forestry, road construction, and other natural resource-related programs and projects.

COURSE DATES: March 15 to April 23, 2021

COURSE LOCATION: Online

COURSE FEE: Free. Funding arranged by the BC Oil & Gas Commission

REGISTRATION DEADLINE: March 1, 2021

PERSONAL EQUIPMENT REQUIREMENTS: Provided by BCOGC

To apply to this program contact BCOGC:

KATE HEWITT
Strategic Relations Specialist
Kate.Hewitt@BCOGC.ca
Call (250) 645-2905
