

## CAUTION - Construction Activity Starting in Kitsumkalum IR1

April 1, 2021

Kitsumkalum Public Works would like to inform the community of construction activity starting on Friday, April 2nd, 2021. New housing development, and road paving will be taking place in the coming months.

A section of road will be blocked off, closing pedestrian and vehicle access to a portion of West Kalum Forest Service Road starting at the intersection of Gyilk Road through to the intersection at Ecstall Avenue.

Please take caution and stay away from construction sites for your safety.

Remind children to be cautious of these sites and stay alert to the on-going activity.
