

North Coast-Skeena First Nations Stewardship Society

Gitga'at and Haisla First Nations will carry out a Creel Survey in the Kitimat Area and have engaged the North Coast-Skeena First Nations Stewardship Society to operate the project on their behalf. A crew of five technicians will be needed to fill full and part-time positions from June 1, 2022 through to August 31, 2022, to staff this fishery monitoring program operating out of the MK Bay Marina. The wage range for these positions is **\$25-\$30** per hour depending upon experience.

Duties include the following:

- Conduct dock-side interviews with anglers returning from recreational fishing trips to collect fishing activity data
- Conduct vessel counts during a float plane survey of the fishing area
- Careful handling of anglers recreational catch
- Accurately identify recreational catch, including species caught and quantity
- Collecting biological samples, such as scales, tissue samples and lengths, from selected species
- Inspecting chinook and coho salmon catch for clipped adipose fins
- Collecting heads from chinook or coho salmon with clipped adipose fins
- Documenting the number of boats returning from fishing trips passing through boat launches
- Creating legible and accurate records of information collected according to survey requirements
- Data review, correction, compilation and entry

Requirements include:

- Successful completion of high school education
- Ability to safely conduct work around water
- Ability to safely and respectfully interact with the public at boat launches
- Ability to accurately identify salmon, groundfish and shellfish species
- Data collection experience
- Class 5 driver's license with access to a vehicle
- Post-secondary education and past fisheries monitoring experience is an asset
- Computer literacy including experience with data entry and editing is an asset

Working Conditions are:

- Outdoors in all weather conditions
- On and around docks and boats
- Shift work, evenings and weekends

The closing date for applications is May 20, 2022 at 4:00 p.m. Please send applications to the attention of Kayla Yard at:

North Coast-Skeena First Nations Stewardship Society
Suite 363 - 309 2nd Avenue West
Prince Rupert BC, V8J 1H2
Fax: 250-624-8615
E-mail: administration@ncsfns.ca

Qualified First Nation candidates are encouraged to apply. Training will be provided for successful candidates during a mandatory training session May 30 and 31, 2022.

NCSFNSS thanks all interested applicants but only those selected for an interview will be contacted.
