

July 11, 2023

Kitsumkalum Community & Kasiks Resort,

Please pay close attention to the following: Effective immediately, the use of **smokehouses** will be prohibited until further notice. Kitsumkalum Emergency Management recognizes the frustration this may bring.

The province of BC is combating many wildfires and we as a community must do everything to avoid the risk of fire. Please direct any concerns or grievances directly to the Kitsumkalum Emergency Management Department for follow-up. Until rescinded, all open-air fires and smokehouses are prohibited. Please note: The use of BBQ for cooking IS permitted.

Stay cool, stay safe.

Joel Brousson

Emergency Program Coordinator
