

August 8, 2023

Kitsumkalum,

Effective immediately, **the fire ban for Kitsumkalum Community has been lifted.** Thank you for your patience and support during the past few weeks.

As always, please have a garden hose or bucket of water present when having fire within a fire pit area. Ensure your fire is away from shrubs and buildings and be mindful of what you are burning, avoiding the burning of garbage, plastics, and chemicals.

Stay safe,

**Joel Brousson**  
**Kitsumkalum Band**
