

UBC SUMMER SCIENCE PROGRAM

IS BACK THIS SUMMER!

"It makes everything more clear and helps you choose where you want to go after high school."

"Its so fun!"

"It has given me opportunities to look further into different careers."

What is UBC Summer Science Program?

UBC Summer Science is a one-week cultural, health and science program for Indigenous students currently in grades 8 to 11. The program promotes interest in health and science programs through first hand experience at the University of British Columbia. The Summer Science Program is a great opportunity to meet new friends, eat great food, connect with Elders/role models while enjoying fun, laughter and learning.

Where: UBC Vancouver campus

Who/When: **Week 1: June 30th - July 6th**
(For students going into Grades 11 & 12 in the fall)

Week 2: July 7th - July 13th
(For students going into Grades 9 & 10 in the fall)

Application deadline May 1st, 2024

"Do!! It's fun and hands on. You meet amazing, nice people who feel like family."

"You learn so many more things, you feel immersed in the culture. I did enjoy it."

"I enjoyed having the elder's presence at SSP. I learned so much and have a different perspective on so many things."
