

Kitsumkalum RV Park and Boat Launch Closure

On June 14th 14:27 PM there was an incident with a large branch falling from a tree. Because this tree(and possibly other branches) still poses a risk to the public and staff the area will be closed off. As soon as the park is deemed safe by a qualified individual the park will be reopened. Please stay tuned for further information, stay safe and enjoy the long weekend.

Thank you,

Liam Nutma
