update by:
Robin Boy and Robin Girl

Dear Community Members,

Our Head Start along with many other Head Start's in B.C will be celebrating their 25th Anniversary later this year.

First Nation's Health Authority would like to collect stories of our children that were members of our Head Start. If you have a memory or story you would like to share about your experience as a child, parent, educator, administrator or practicum student please feel free to submit those stories to our Head Start team. We will happily forward them and also preserve for our own history.

Please include your name, graduation year, memories, and where you are now in your submission. You can deliver it in person or submit by email to:
