

DWB/CRGL is a newly merged consulting firm specializing in environmental, engineering, forestry and GIS services and solutions. With a close-knit team, a diverse client base, and a strong reputation for quality and service, the company operates offices throughout all of BC.

Overview:

We are seeking applications for **Field Technicians** based out of our Prince George, Burns Lake, Smithers, and Terrace operations. The term positions would be full time hours with a term of 4 to 6-months. The ideal Candidate will assist field crews with hands-on fieldwork between Prince George and Terrace. An opportunity for potential extension to the term will depend on the Company's workload. This position is available to start in May 2026.

Job Responsibilities:

The immediate responsibilities for the Field Technicians will include but not limited to:

- Assisting field teams with projects such as road layout and traverse, timber clearing layout, riparian assessments, field marking of boundaries, engineering surveys, other field related duties, and associated office reporting as needed.
- Participating in daily tailboard meetings and Company safety meetings.
- Working in a safe manner upholding the Company's Occupational Health and Safety Plan.

Qualifications & Experience:

- Technical Diploma or equivalent in Forestry or Natural Resource Management preferred, but not mandatory.
- 1-3 years of relevant forestry experience such as layout, cruising, riparian, and site plan development.
- Ability to perform physically demanding fieldwork in all weather conditions.
- Willingness to commute daily from the locations mentioned above.
- Ability to collaborate effectively with teams and follow directions from Field Leads.
- Strong commitment to safe work practices.
- Valid Class 5 driver's license.

Compensation:

The pay range for this position is **\$20- \$28** per hour; pay will be commensurate with experience and qualifications.

Application:

You can submit your resume and cover letter to: resumes@dwbconsulting.ca with “**Field Technician**” as the subject of the mail. Please include your preferred location (Prince George, Burns Lake, Smithers, or Terrace) in your cover letter.

We wish to thank everyone for their interest in DWB/CRGL; however, only those selected for an interview will be contacted.
