

Ksi Lisims LNG & PRGT Information Session: Northwest Region

Thursday, May 28, 2026

4:30 – 6:00 PM

Online (registration required)

Register here: [LINK](#)

Registration is required. After signing up, participants will receive a unique link by email to join the session before it begins.

About the Session:

The Project Team is hosting a virtual update on the Ksi Lisims LNG and PRGT Projects.

The Session will include:

- Project overview
- Regulatory and environmental updates
- Worker accommodations
- Project benefits
- Q&A with project experts (environment, regulatory, construction)

Who Should Attend:

Community members, partners, and anyone interested in the projects.

Questions or Support:

If you need help registering or have questions, please contact info-prgt@prgt.ca.
